

## **HOW TO REGISTER FOR SUMMER CLASSES:**

**Step #1 - Make your decision:** Don't get stuck taking a class you can't finish due to your vacation. Instead take classes at Dance With Flair where you can choose the dates you want to attend through a variety of classes offered over the summer:

- \* Choose 5 for \$35.00. For each class, dates are listed, you choose the 5 you want to attend. You can mix and match your classes and dates (even between siblings).
- \* Choose a 1 time event and pay \$10.00 or pick certain class dates of a session for \$10.00 each.
- \* Advanced students / special workshops pay \$50.00 for the summer and pick the dates you want for ballet, tap and principles of pointe
- \* Need to catch up, ask about our private and semi-private classes.

**Step #2 -Fill out your Forms:** Fill out the summer registration form (adults use the adult registration form with waiver attached). If you are new to Dance With Flair this summer, fill out a waiver. There's no need to fill out a waiver if you have one for the 2009-10 dance year.

**Step #3 - Return your Forms:** Bring your forms to the summer registration weekend:

**Sunday, June 13, 2010 from 1-4PM**

or send your registration forms to our mailing address: Dance With Flair  
634 Pearce's Ford  
Oswego, IL 60543

Due to the format of the summer session, pay pal will not be available.

If you see a class later in the summer that you forgot to sign up for, just call and check availability: 630-201-4305.
